**TASK THREE (8 × 0.5 marks= 4 marks)**

**MARK**

You will listen to a conversation about “Buy Nothing Day”. María has taken some notes about the conversation but could not hear part of the information. Read her notes and complete gaps 1- 8 with the word, date or number they use. Write your answers in the box below. Number 0 is an example. You have one minute to read her notes.

*Notes on Buy Nothing Day*

The idea of “Buy Nothing Day” is that we live in a \_\_\_0\_\_\_ society, and it is especially true near Christmas when many people buy more things than \_\_\_1\_\_\_. For example, in North America, the Friday after Thanksgiving is \_\_\_2\_\_\_ for wild shopping, and in Europe and Asia, the last \_\_\_3\_\_\_ of November has the highest sales of the year.

“Buy Nothing Day” started in Canada in the year \_\_\_4\_\_\_, and there are now over \_\_\_5\_\_\_ countries which do something for the day.

The idea behind “Buy Nothing Day” is to make people think about how much they spend and how \_\_\_6\_\_\_ this is.

One of the questions to ask ourselves, “Aren’t there \_\_\_7\_\_\_ ways of spending our time?”

In Japan, there is a figure called Zenta Claus. He sits and meditates on the \_\_\_8\_\_\_ effects of our consumer culture.
